The Youth Council is a group of young people from a diverse range of backgrounds, faiths, ages and genders, who are passionate about getting young people's voices heard. -  engage and encourage young people in participation activities
-  develop youth ambassadors and future leaders

Our priorities...

-  social and cultural scene – the lack of feeling safe, more youth participation, more youth facilities/activities
-  climate/environment – green spaces, recycling, tree planting
-  transport – buses, improved cycle routes, safer routes for walking and cycling
